

# **Land Stewardship Projects at Gwynedd Friends**

## Gwynedd Friends Meeting Landscape Master Plan

December 2020  
Revised February 2021

**Pollinator garden planted in the median strip of our parking lot**

**Rain garden planted in June 2022**

**The same rain garden in August 2022**

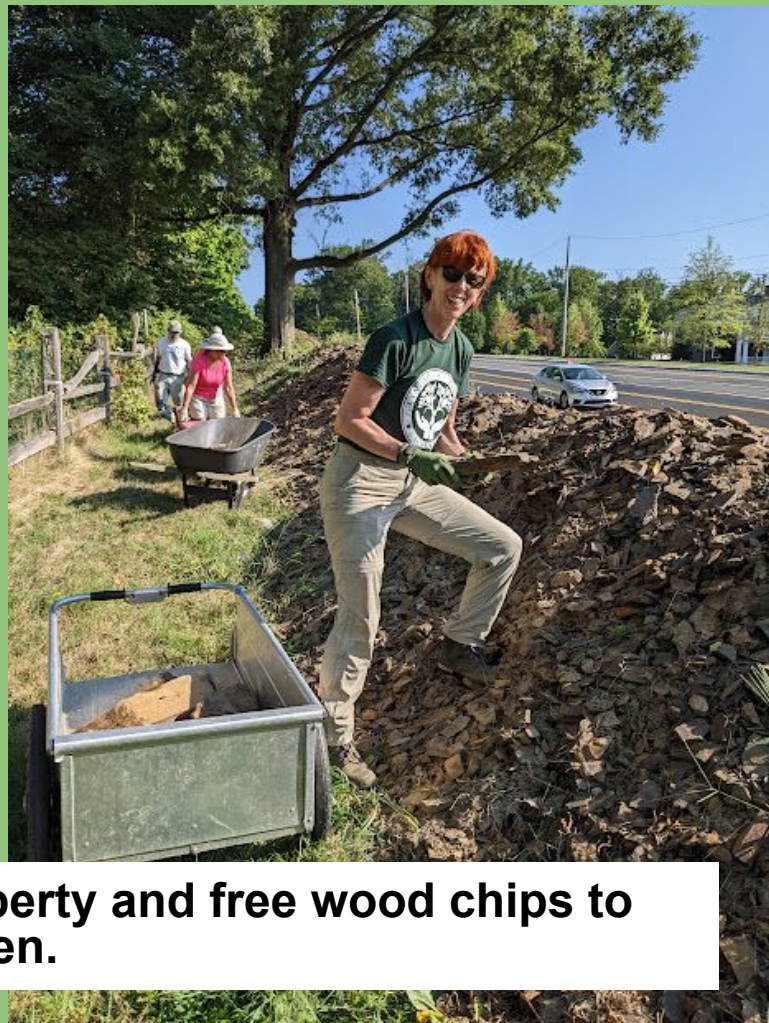

**And in August 2023**

**We used wood and stones on the property and free wood chips to build our community and school garden.**

**community/school garden in fall 2022**

**No Mow May brought out the wildflowers in the burial ground.**

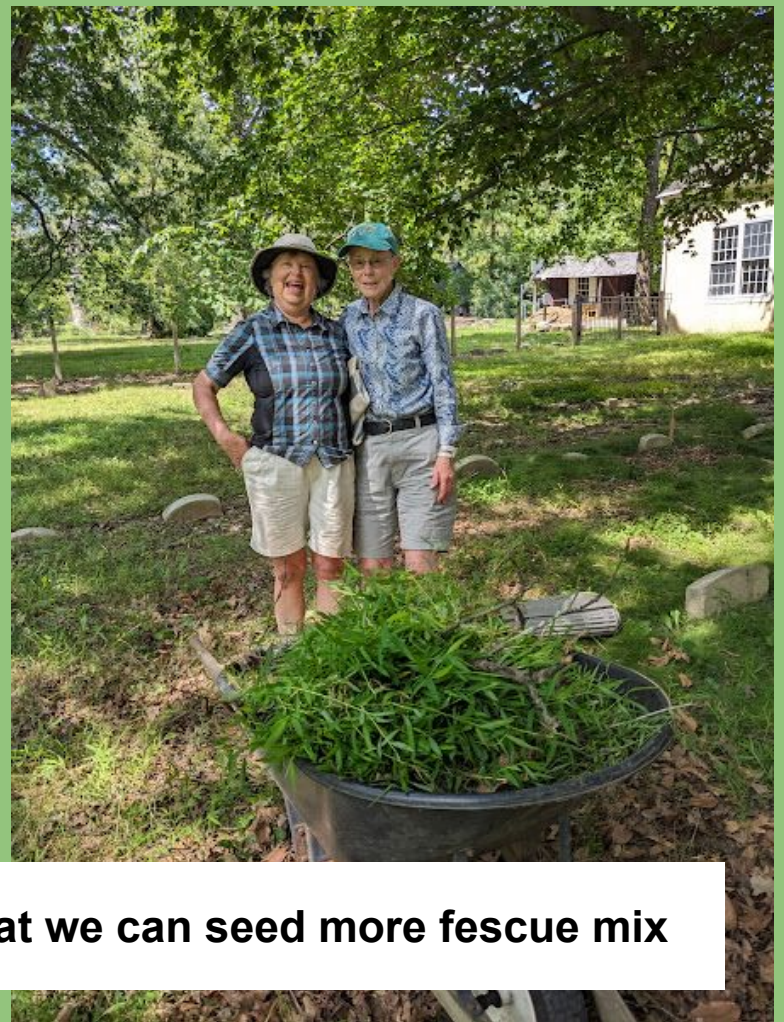

**Native species in the burial ground**

**Experimental native plant plots in the burial ground**

**No-mow fescue mix & weeding stiltgrass so that we can seed more fescue mix**
